

## Guideline for Printing eForms

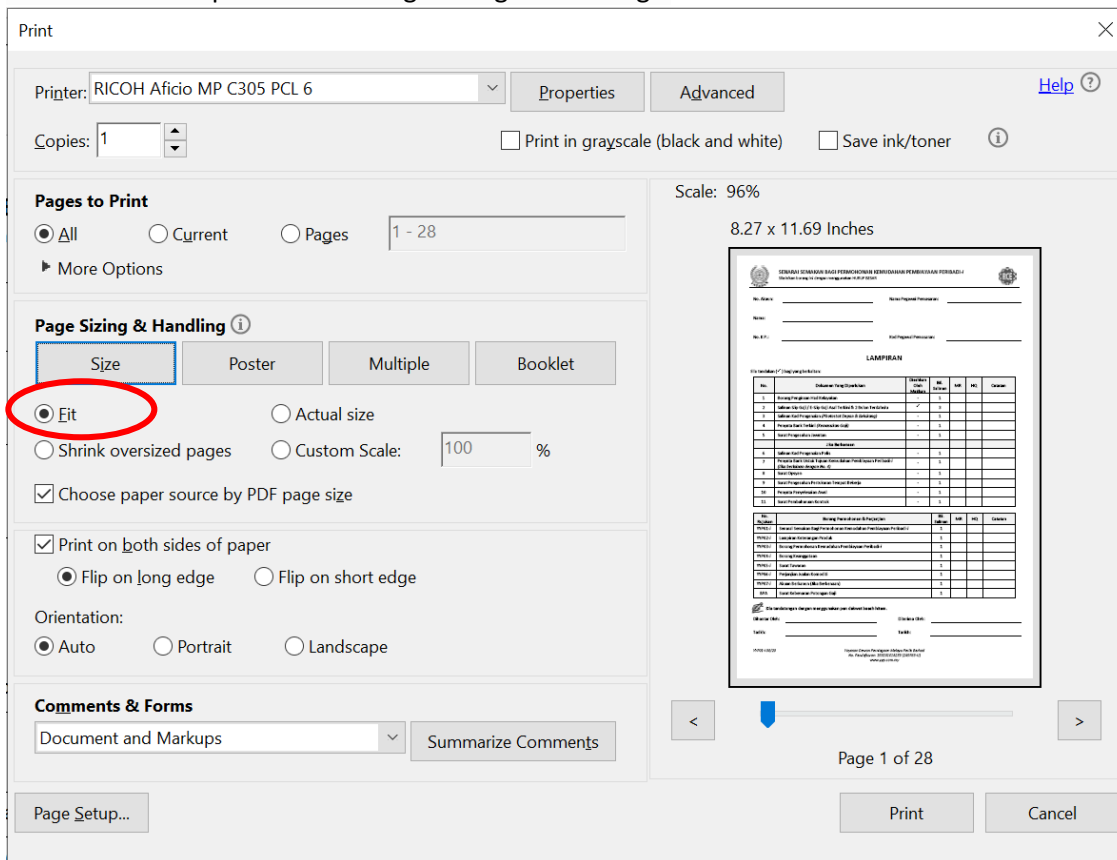

### Step 1

- Click the "Print File" button at the top of the reader.

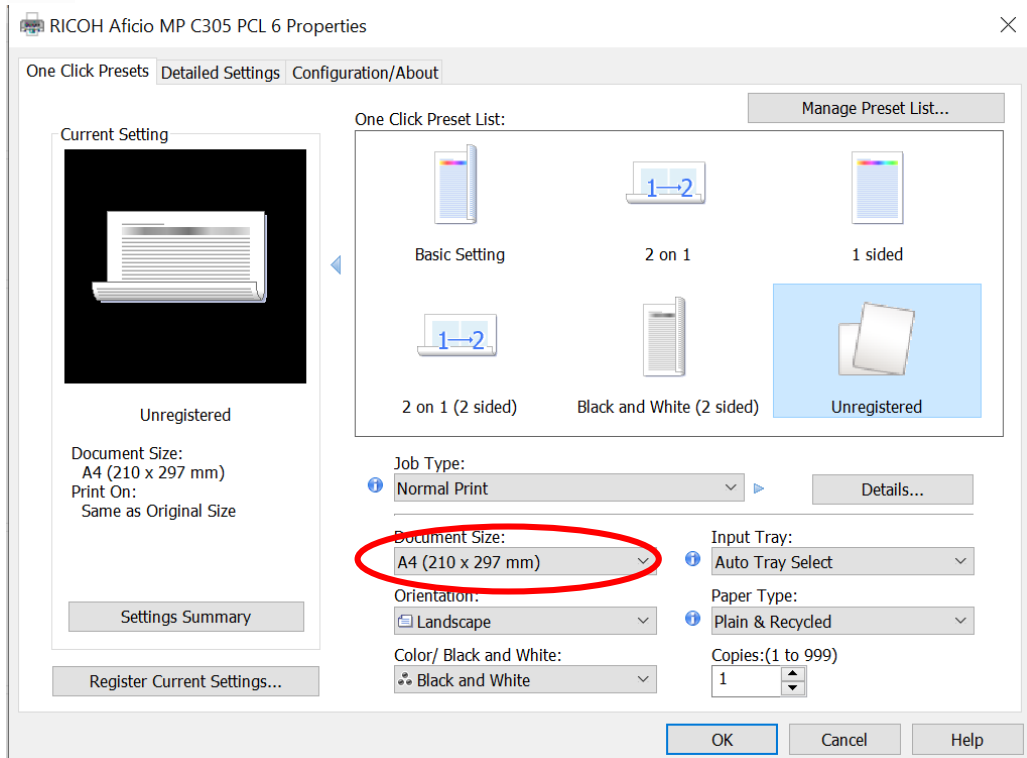

### Step 2

- Select the "Fit" option under "Page Sizing & Handling".

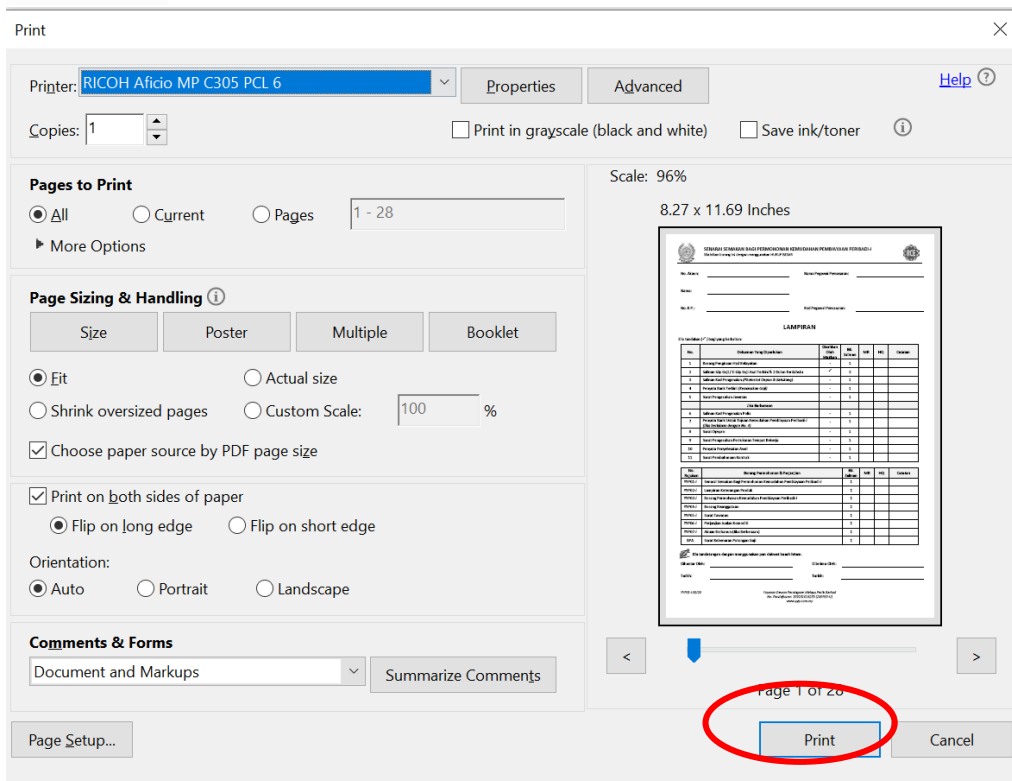

### Step 3

- Click "Properties" and select "A4" option from the drop-down listing under "Document Size", then click "OK".

### Step 4

- Click "Print".

Note: Layout may vary depending on the printer, however, please ensure you select "fit" and "A4" from printer setting.
